

About Us

The Indian Basketball 3x3 League (IB3L) is a premier platform dedicated to revolutionizing 3x3 basketball in India. Established with the vision of elevating Indian basketball to the global stage, IB3L provides players with the opportunity to compete, develop, and advance through international rankings. In partnership with Kaga Basketball Academy, IB3L bridges the gap between local talent and the elite FIBA 3x3 circuit, offering a structured pathway from grassroots competitions to prestigious international tournaments like the Mongolia Challenger and the FIBA 3x3 World Tour.

With a commitment to excellence, IB3L has consistently hosted more FIBA-endorsed 3x3 tournaments than any other organization in India, ensuring that players receive exposure, experience, and opportunities to represent the country on the world stage. Backed by industry leaders, professional coaches, and a strong network of global basketball professionals, IB3L stands as India's foremost authority in 3x3 basketball.

PRESENTED BY

MESSAGE FROM THE FOUNDER

— GOVINDA SHARMA

I'm excited to introduce Kaga Basketball Academy, named after my parents Kamal and Geeta. My dream has always been to grow basketball in India, and our academy in Siliguri is the first professional 3x3 basketball academy in the country. With my experience as an NBA India coach and an international 3x3 player, I am committed to developing the next generation of basketball champions.
